“Acquisition” means any acquisition, or any series of related acquisitions, consummated on or after the date of this Agreement, by which any Credit Party or any of its Subsidiaries (a) acquires any business in its entirety or all or substantially all of the assets of any Person, or business unit, line of business or division thereof, whether through purchase of assets, exchange, issuance of stock or other equity or debt securities, merger, reorganization, amalgamation, division or otherwise or (b) directly or indirectly acquires (in one transaction or as the most recent transaction in a series of transactions) at least a majority (in number of votes) of the securities of a corporation which have ordinary voting power for the election of members of the board of directors or the equivalent governing body (other than securities having such power only by reason of the happening of a contingency) or a majority (by percentage or voting power) of the outstanding ownership interests of a partnership or limited liability company.

The Applicable Margin shall be determined and adjusted quarterly on the date five (5) Business Days after the day on which the Borrower provides a Compliance Certificate pursuant to Section 8.2(a) for the
